These will be accomplished through our staff and / or our network of highly qualified teacher / trainers (gifted and called trainers of Spirit-confirmation) with whom we have a Spirit-led relationship.

IMD International has a specific calling to provide Heart Training to leaders in the Body of Christ around the world. We see leaders fall from the ministry that God called them to all around the world. They do not fall because of a lack of knowledge or skill. They fall because of a heart problem. We are a network of Master Teachers that provide training in this critical area.

Email: drmad1057@aol.com

Mailing Address: 2931 Angus Circle, Molino, Florida 32577

Mission Statement:

Fulfilling the Great Commission through church planting.

National pastors and missionaries on the field have a calling in their hearts to start a new church in an area they sense to be very responsive. They contact us at WWCP and invite us to join them in this work.

At WWCP we use volunteer teams in reaching these responsive areas of the world. . .where people are very open to the gospel. Team Leaders organize a group of individuals who want to answer the invitation to share their faith.

For a week to 10 days, our volunteer teams work with a national pastor or missionary to develop a core group to help start a new church. Through personal evangelism and preaching opportunities the core group is gathered.
